

Safepower Services

Specialist in permanent and temporary power supplies

Site Specific Builders Temporary Supply Agreement

Connection Details

MainPower Mack number:

Site address:

Safe Power Services box required? **Yes** **No**

Preferred connection:

Our default process for MainPower is to apply for a temporary connection. Once approved, we apply for a new connection prior to going permanent. There will be two separate MainPower Mack numbers allocated to each application. Please inform us if any Lease Box job will not require a new permanent connection at the end of the lease.

Unmetered temporary? **Metered temporary?**

Preferred livening date:

Note this date is not guaranteed and is dependent on availability and existing scheduled workload.

Connection period (please select):

Six-months **6-12-months** **12-18-months** **18-months plus**

Temporary connection size: **Phase** **Amps**

Permanent connection size: **Phase** **Amps**

Number of permanent connections:

Hot water type (please select):

Electric **Gas** **Solar**

Preferred permanent livening date:

CT Connection Details (required for connections greater than 100amps)
