No

*Our standard BTS's are: single phase with two double 10amp outlets. If you require multi-phase temporary power or specialised outlets, please make note of these requirements*

Preferred connection:

*Our default process is to lodge the temporary and permanent connections within the same/initial application to Orion. This allows us to avoid potential delays at the end of the job as Orion approval for the permanent connection is granted at the beginning of the job. Please inform us if any job will not require a new permanent connection at the end of the lease.*
