

Builders Temporary Supply & Permanent Connection Agreement

Safepower Services LTD

MainPower MACK number (if existing application):

Lot number:

Street number:

Address and suburb:

Temporary Connection Details:

Safe Power Services builders temporary supply box required?

Yes

No

Our standard BTS's are: single phase with two double 10amp outlets. If you require multi-phase temporary power or specialised outlets, please make note of these requirements in 'comments'.

If yes, please select connection period:

Six-months

6-12-months

18-months

18+-months

Preferred connection:

Our default process for MainPower is to apply for a temporary connection. Once approved, we apply for a new connection prior to going permanent. There will be two separate MainPower MACK numbers allocated to each application. Please inform us if any job will not require a new permanent connection at the end of the term.
