Please note:

- By completing and returning this form, **you agree to the charge of \$275.00 + GST:**
- When we request the switch of the ICP to be moved into our name for disconnection, the process between the energy retailer/s and the network can take between 5-10 working days.
- We are unable to switch an ICP until the original owner of the ICP/account has approved this occur.
- The energy retailer/s and network processing time frames are not something that we can influence – these are weighted on their capacity and queue levels
